Q.1. READING वाचन

One Sunday, we went for a picnic. My family and friends joined. We went to a park. The park had many trees. We spread a mat and sat together. My mother brought food. We ate sandwiches, fruits, and juice. After eating, we played games. We ran and jumped. We also watched birds. The weather was nice. We clicked photos. In the evening, we packed our bags. It was a happy day. I love picnics.
